Notes to HJCS Parents

Enjoy Spring Break,
and please remember--
HJCS is in session on
Monday, April 21.
We'll see your scholar
then!

Kindergartners Learn More About Wood

Jeff Hausler, a carpenter and friend of Kindergarten Teacher Ms Lisa Kominos, addresses KGA students about working with wood. They learned about screwdrivers, power tools, hammers, saws, screws, and nails, and watched Mr. Hausler build a bench before their very eyes!

First Graders Create Art to Help Animals

Henry Johnson First Graders have been given an opportunity to make posters for a contest sponsored by the Animal Protective Foundation centering on the theme "Helping Animals by Working Together." They have been submitted to honor **Be Kind to Animals Week**, May 5th-9th. The posters are wonderful, and we look forward to seeing if we have any winners. The two below are among those we submitted. The first says, "I Love Helping Animals," and the second, "I Can Take Care of My Pets." Great job, First Grade!
