Notes to HJCS Parents

Chyann Johnson's Story Wins First Place

Congratulations to first-grader Chyann Johnson, who won First Place in the First Grade Competition of the Capital District's Reading Rainbow Young Writers and Illustrators Contest! Chyann's story bested the work of 101 other first graders from around the Capital Region.

Chyann is pictured at right showing her story "The Treasure Hunt Monster" to Mrs. McLoughlin, who organized the contest for her reading group, to ELA Teacher Mrs. Shaw, and to participants Julian Wallace and Sam Anderson. Chyann won a backpack and DVD, and all three scholars were awarded certificates signed by LeVar Burton.

Our HJCS scholar will take part in a celebration at WMHT in June, and her story will go on for judging at the national level.

Chyann, you make us proud!

Warm Weather Leads to Uniform Adjustments

Now that temperatures make outdoor activities more comfortable, we would like to see our girls back in their jumpers on Monday through Wednesday and on Friday, with gold shirts and khaki pants on Thursday. On very warm days, boys may wear khaki walking shorts, and girls may do so on Thursday. Walking shorts, also known as Bermuda shorts, should not be shorter than two inches above the knee and should be classically styled.

Calendar Reminder For Next Week

Please remember that there is **NO SCHOOL FOR SCHOLARS from Wednesday, May 21 through Tuesday, May 27**. This is a great opportunity for you to enjoy the outdoors together and to remember the sacrifices of our military personnel over the years on Memorial Day, observed on Monday,
