Notes to HJCS Parents

Henry Johnson Northstars of the Week

All Henry Johnson Scholars are Northstars—bright, shining stars who make our work a joy. But sometimes some of these stars shine especially brightly, and these scholars are named as Northstars of the Week. Teachers describe their sterling qualities during Friday assembly for us all to hear and congratulate. These qualities have to do with academics, effort, behavior, keeping up after an absence, serving as role models, making a positive difference in the classroom. Our first Northstars of the Week for this year are (back row) Maria DiCarlo (1A), Roniyah Hicks (KC), Jahzai Addison (KA), Ty'Jah Bolton (1C), Jocelyn Lopez (2A), Keyarra Daniels (2B); (front row) Nydayah Goddard (KB) and Zafeir Orion Alexander (1B). Congratulations!

Box Tops for Education and Tools for Schools —

Two Ways Families Can Help HJCS

This week and last we sent home information about how HJCS families can support our school at no additional cost—1) just clip Box Top labels from the products you usually use and send them in with your scholar, and 2) register our school code with your Price Chopper Advantage card and have your tape total go toward our account. We are aiming for \$50,000 this year, and we know that if all of our families and staff get registered, we'll make our goal. Our school code is 41296. Register online or send the form back to school—we'll register for you.

Thanks!!

Enjoy our special newsletters sent home most weeks along with *Notes to Parents*. They share special things you can do at home to support your child's learning and your parenting skills. We'd love feedback on "Reading Connection" and the others!

Coming Up...

PTO Meeting Wednesday, Sept. 24, at 8:30 am and 5:30 pm. Come to the one most convenient for you. We'd love to see you there!

School Banking will resume on Wednesday, 9/24, for returning scholars who already have accounts. New students will be able to start banking in a few weeks.

School Pictures will be taken on Friday, Sept. 26. Please send your scholar spiffily attired in our formal uniform. Send in Order Form, too!

Kindergarten Field Trip to Indian Ladder Farm on Wednesday, Oct. 1. Let your KG teacher know if you would like to chaperone.
