Proactivity Assembly to Reward Self-Respect

Next week's assembly will recognize scholars who have distinguished themselves as showing that they have a strong sense of self-respect. That virtue has been the basis of month-long Proactivity lessons taught daily as part of HJ's character-building program. One Homeroom at each grade level will also receive the CAMP Award for outstanding work in their Specials—Computer, Art, Music, and Physical Education. Scholars understand that they earn these awards—and we love to recognize our boys and girls in these ways.

Picture Day a Success at HJCS

One by one, classes mounted to the third floor this morning to have their pictures taken by Life Touch Photographers. Freshly scrubbed and nattily attired, they practiced their smiles and enjoyed this break from the routine. If you ordered packages, they should be delivered before the holidays. If your scholar was absent, or if you don't like the photos once they are delivered, we will have a make-up day. And if paying for your child's photo package was not convenient for you today, you will be able to send your payment in to the company, and they will mail the photos to you once they are ready. Call Ms Penn for details.
